COMMENTS ON EXAMINER'S REASONS FOR ALLOWANCE

In reply to the Notice of Allowance of December 20, 2005, the applicant submits the following remarks. Applicant recognizes that in accordance with M.P.E.P. § 1302.14, the Examiner's reasons for allowance need not set forth all of the details as to why the claims are allowed. In the above-referenced application, Applicant does not concede that the Examiner's stated reasons for allowance are the only reasons for which the claims are allowable. The applicant respectfully notes that not all of the limitations cited by the Examiner may be required for patentability, and that other reasons for patentability may exist in addition to those contained within the Applicant's previously filed arguments.

Please apply any additional charges or credits to our Deposit Account No. 06-1050.

Respectfully submitted,
